The Lone Ranger Collection

The Museum recently received a significant *Lone Ranger* collection from the Estate of Dolores Taylor, M.D. of Billings, MT. The collection contains archives from the creator of the character, collectibles, toys and related materials from the 1930s to the 1990s. Two Museum staff members, Christina Stopka, Archivist, and Paul Torres, Facilities Manager, drove to Billings to pick-up the materials in a week-long trip. The staff plans to display the materials in the future. We will let you know when the exhibit opens and hope you will come see these rare mementos.

Some of the over 300 objects in the collection include:

Theatrical mask used by Clayton Moore
 Clayton Moore gunbelt and pistol
 1938 Lone Ranger Doll
 Republic Pictures 1940s movie serial posters
 1946 Lone Ranger Dell comic book
 1950s Lone Ranger record player

Vintage Lone Ranger first aid kit with contents
Autographed Clayton Moore and Jay Silverheels photographs and posters

Thank you for a great Safe and Spooky!

The staff of the Texas Ranger Hall of Fame and Museum would like to personally thank everyone who helped with this year's "Safe and Spooky Community Carnival."

Over 4,900 people attended the event at the Waco Convention Center, including 3,000 children and 1,900 adults. The carnival provided a safe environment for families from across Central Texas to trick-or-treat and learn about various aspects of public safety and wellness.

We greatly appreciate your support of this event and hope to see you at Safe and Spooky on Saturday, October 30, 2010.

TGCA Exhibit

The TRHFM and Texas Ranger Association Foundation were invited to exhibit at the Texas Gun Collectors Association show at the Stockyards in Fort Worth. The museum set up a display for both organizations using historic Texas Ranger firearms and pistols from the current Texas Ranger

captains. The exhibit, and the Texas Rangers who attended, attracted a constant flow of visitors during the two days.

The exhibit was staffed by museum Director Byron Johnson, his wife Sharon, and Christine Walker (museum Marketing/Development). TRAF representatives also worked the exhibit including Director Kathy Presbaugh, her assistant Betty Middleton, TRAF President Steve Sykes, and V-P Gary Crawford. Captain Bryant Wells (Co. "B"), retired Capt. Richard Sweaney (Co. "B") and several active duty Rangers took time to stop by and meet the public.

TGCA President Richard Overall presented the TRHFM and TRAF with an award for their participation in the show. Thanks to Chief Tony Leal, Captains Randy Prince, Jerry Byrne, and Richard Sweaney for permitting their firearms to be shown as part of the exhibit.
