

Obituary

Capt. Carl Weathers (1940-2018)

We are sad to note the passing of Texas Ranger Captain Carl Weathers, 78, after a long illness. Capt. Weathers was born in Indian Gap, Texas and served in the US Army. His law enforcement career spanned 40 years as a police officer, Texas Highway Patrol officer, and a Texas Ranger. He served in companies "A" in Houston and "C" in Lubbock attaining the rank of Captain.

He was a pioneer in the use of hypnosis in Texas to induce crime victims and witnesses to recall such details such as license plate numbers. His involvement in notable cases included the Republic of Texas Standoff in the Davis Mountains, and the Branch Davidian siege in Elk.

Please visit our "History" section to read his oral history interview.
