

Journal Prompt

Writing or journaling is always a great activity to exercise your mind! Here's an image in our collection. You may choose one or more of the suggested prompts below.

This fascinating photo shows a man kneeling rather too close to a rattlesnake to get his photo! Our daring photographer is using a large box camera to get his shot of a diamondback rattlesnake. The diamondback is the most common venomous snake found in Texas. While we don't recommend getting this close to a snake, Texas is home to many interesting and unique species of wildlife.

- Give this photo a caption – what do you think is happening here?
- Write about one of your favorite Texas animals.
- What wildlife do you see at home? Make a list.
