

Journal Prompt

Writing or journaling is always a great activity to exercise your mind! Here's an image in our collection. You may choose one or more of the suggested prompts below.

This painting of a Texas Ranger scene was painted by John Dearman. It is a great example of a period of transition in Ranger history. Cars were being used more and more often, but there were still many parts of Texas that were best traveled via horseback. Give this painting a caption –

- What do you think is happening here?
- Write a journal entry of a Ranger adjusting to having both a car and a horse.
- What conversation do you think these Rangers are having?
